

# Using Eduroam Wi-Fi in the university environment

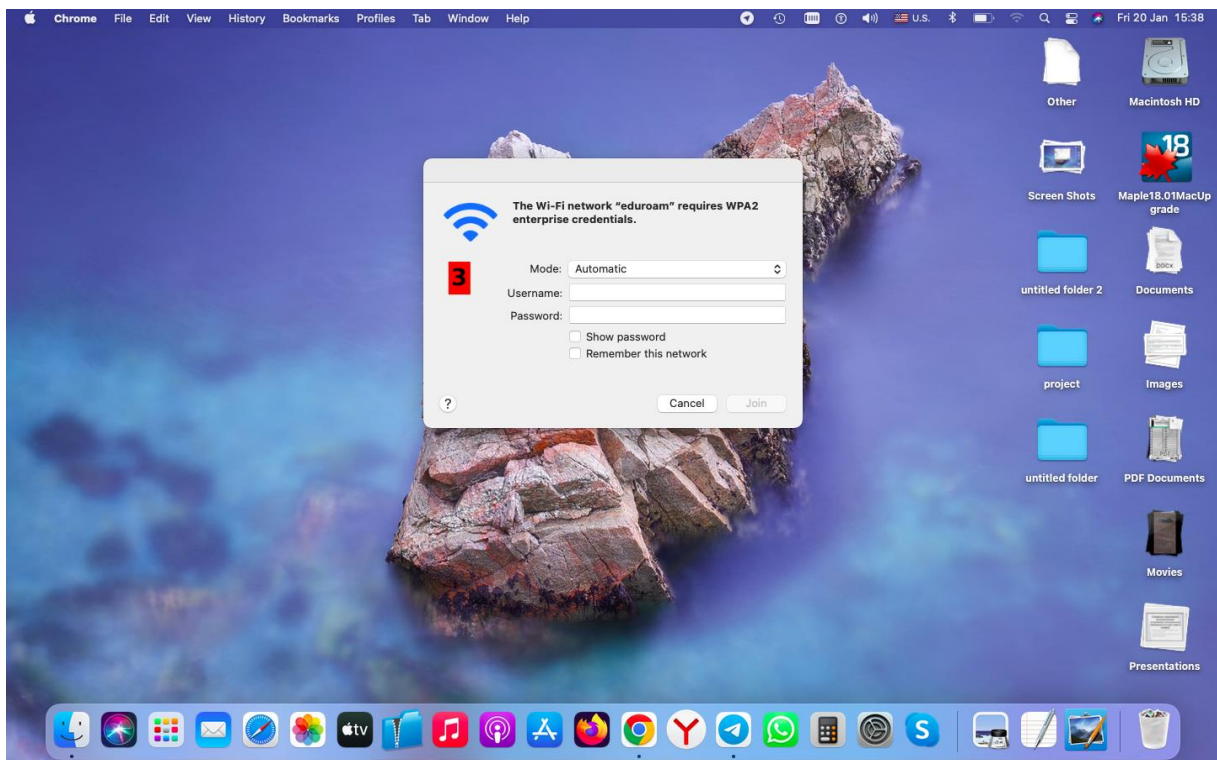

1. Click on the **WI-FI** icon in the top bar.

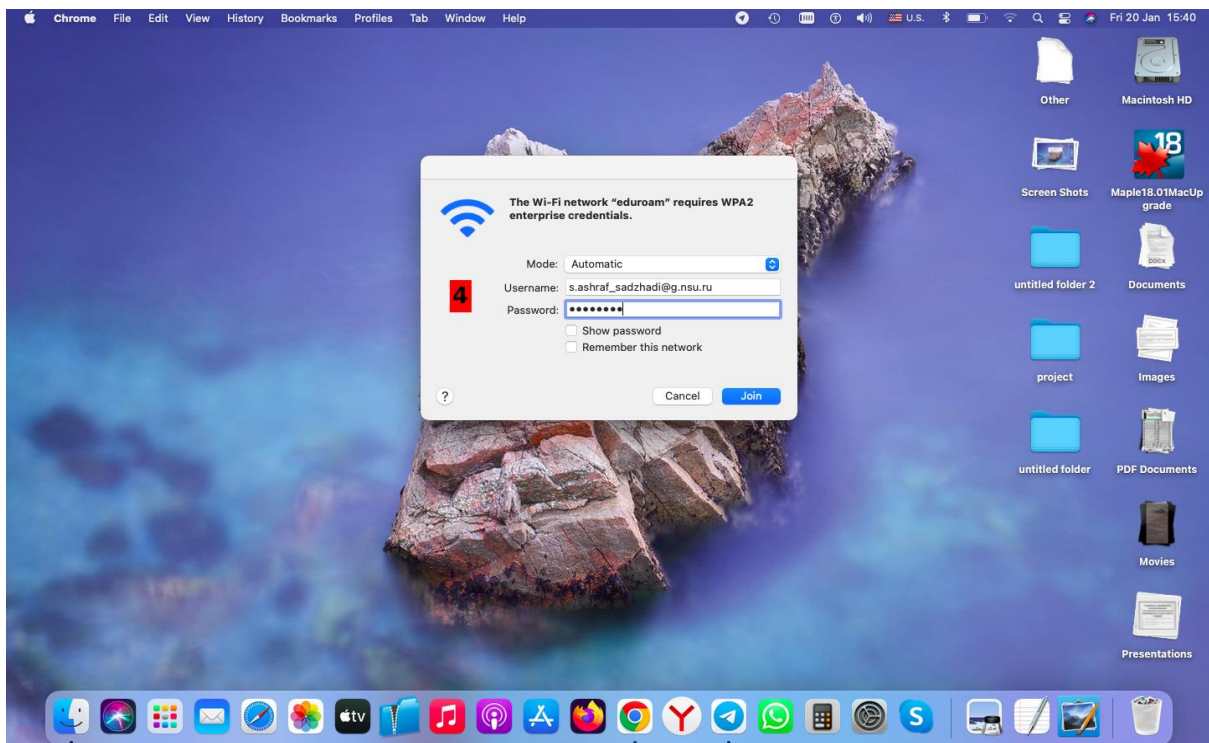

2. Select eduroam.

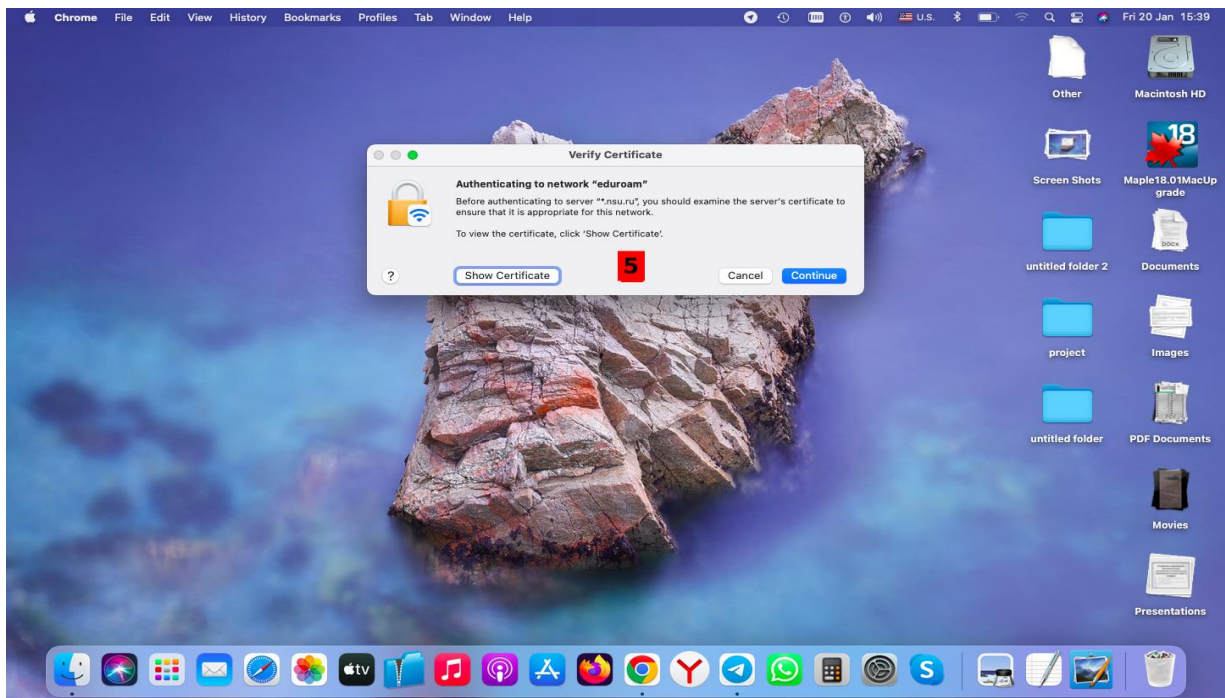

3. This window will open for you to enter username and password.

4. In the username field, enter your university email ( [i.ivanov@g.nsu.ru](mailto:i.ivanov@g.nsu.ru)) and in the password field, enter the email password.

5. This window will open for you.

6. Select Continue.
